

# What are Wordpress themes

*What are themes in Wordpress, what can they be used for, how to find them and install them*

## 1) Prepare a presentation

You will have to prepare a presentation (media of your choice) where you answer the following questions about Wordpress themes.

What are themes in Wordpress?

How do you find a theme?

How do you install a theme?

How do you change the name and description of a theme?

How do you change the screenshot image?

[Optional] What are child themes?

You are free to use any resource you see fit.
